

R.J. HEDGES
& ASSOCIATES "YOUR COMPLIANCE EXPERTS FOR
TODAY AND TOMORROW"™

HIPAA Compliance Program

R. J. Hedges & Associates provides a complete HIPAA Compliance Manual and Program for you and your facility that meets the current federal HIPAA statutes and Medicare Accreditation (Quality) Standards

- ✓ We write all your Policies & Procedures
- ✓ We write your Disaster Recovery Plan
- ✓ We write your Risk Analysis & Risk Management Plan
- ✓ We train you and your staff
- ✓ We integrate your accreditation program into one seamless operational program

- Our program meets and exceeds the federal HIPAA standards. We take these federal mandates and make them into a valuable tool for you and your facility
- Our program is in full compliance with the new Medicare Quality Standards which require a complete HIPAA program for Medicare accreditation
- Our program satisfies all federal audits which are occurring, plus the HITECH requirements
20% OF ALL AUDITS LEAD TO ENFORCEMENT ACTION
- We specialize in helping independent pharmacies
- Your Disaster Recovery Plan is your best protection. Written correctly, it will provide all the information needed to recover from a disaster
- We provide the complete privacy and security package from start to finish. We will assist you should an emergency or inspection occur
- Your HIPAA program is part of the Medicare Quality Standards, section 1G
- The HIPAA Guy is the co-author of the NCPA HIPAA Security Handbook

"R. J. Hedges' approach is very professional but also very personable and makes the whole HIPAA and federal compliance process a reachable and understandable goal."—Barbara L
