

The Tax Office, Inc. offers a full array of comprehensive tax and support services tailored to meet your company's needs. Whether you're an emerging, evolving or established business, you'll find outstanding value for a wide variety of accounting, consulting and strategic-planning services - for a single fee.

We offer three tiers of Business Packages: **COBALT • AZURE • SAPPHIRE**

Cobalt Package

PERSONAL TAX PREPARATION. We'll prepare one Federal and one State personal tax return. For additional forms see A La Carte schedule for pricing.

PERSONAL AUDIT DEFENSE PROGRAM. We'll represent you in either a correspondence or office audit by any government agency as well as respond to any government notice. Appeals or field audits may require additional fees.

BASIC SUPPORT PLAN. Offers 48 hour response by one of our CPA's. Enrolled Agents, Certified QuickBooks Pro Advisors, Tax Accountants or other professionals

ANNUAL TAX PLANNING REVIEW. You will receive a personalized meeting where we will update you on allowable deductions, strategies for anticipating tax roadblocks and opportunities, avoiding IRS audits and maintaining your personal tax plan based on your changing personal circumstances.

GENERAL LEDGER ACCOUNT ANALYSIS. Annually, we will analyze every general ledger account including income and expenses, bank accounts, fixed assets, liabilities and equity accounts, ensuring your business is always audit-ready. We will highlight any critical issues that need management attention and make sure you are not missing any valuable tax deductions.

ASK US. Your year-end review includes a Q&A session. This is your chance to ask us about:

- Financing
- Business Valuation
- Employee Benefits
- Lease/Buy Analysis
- Retirement Planning
- Estate Planning
- Business Structure (C-Corp., S-Corp., LLC., Partnership, Sole Proprietorship)
