

C.A.R.S. - Auto Industry RDC

From Check Acceptance to Check Deposit,
C.A.R.S. Makes it Simple

Introducing C.A.R.S., CrossCheck's Auto industry RDC Solution. Designed specifically for the auto industry, this unique conversion program provides your dealership a streamlined check processing and guarantee service that can increase sales and reduce risk.

This check conversion service lets you authorize your customer's check quickly and easily. C.A.R.S. offers desktop conversion with an imager and PC for electronic deposit without a trip to the bank and online web reporting for 24/7 access to check status and activity. What's more, claims submission is eliminated as returned checks are not deducted from your business account.

Enhancements designed for the auto industry include future deposit, COD and stop payment coverage.

Use a PC and imager to process checks right from your desktop and eliminate trips to the bank.

C.A.R.S. - CrossCheck's Auto industry RDC Solution offers your dealership:

- Loaner equipment available at no charge
- Claims and claims waiting period are eliminated
- Future deposit program for Hold Checks included
- COD premium for Parts and Service
- 24/7 transaction reporting via the Internet
- Fast and easy set-up

"AutoNation has been using CrossCheck's services for several years. The C.A.R.S. program streamlines check processing and even allows us to offer customers a Future Deposit program. With this service in place we sell more units!"
