### Notes

Benefits will be determined based on Medical Mutual's medical and administrative policies and procedures. This document is only a partial listing of benefits. This is not a contract of insurance. No person other than an officer of Medical Mutual may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services. In certain instances, Medical Mutual's payment may not equal the percentage listed above. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual's negotiated rate with the provider.

Deductible and coinsurance expenses incurred for services by a network provider will only apply to the network deductible and coinsurance out-of-pocket. Deductible and coinsurance expenses incurred for services by a non-network provider will only apply to the non-network deductible and coinsurance out-of-pocket.

The coinsurance for non-contracting institutional providers will be the same coinsurance percentage as the non-network provider. However, you may be billed the remaining amount by the non-contracting provider.

The proposed course of treatment for organ transplants must be pre-authorized and approved by Medical Mutual. Failure to obtain this will result in a penalty. In the event that authorization by Medical Mutual is not received, and the organ transplant is deemed not medically necessary or is deemed to be experimental/investigational, the recipient may be responsible for all billed charges for the organ transplant.

### Footnotes

1. This product has an aggregate accumulation applied. Aggregate Deductible: The entire family deductible must be met before benefits are provided (for any family members) on a family contract. Maximum out-of-pocket (MOOP): The entire family MOOP must be met before all network benefits are paid at 100% on a family contract.
2. If a non-network pharmacy is used, please refer to your Certificate Book for information about how a member will be reimbursed.
