

National Doctor's Day

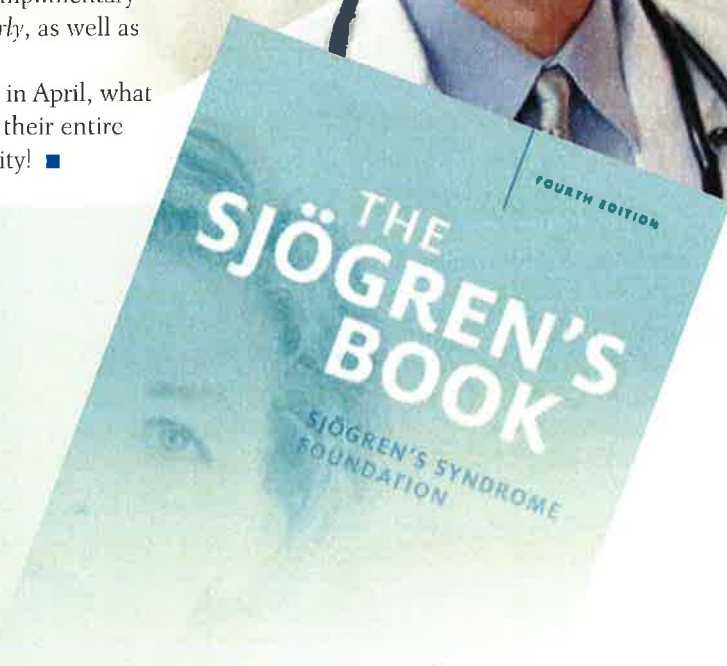

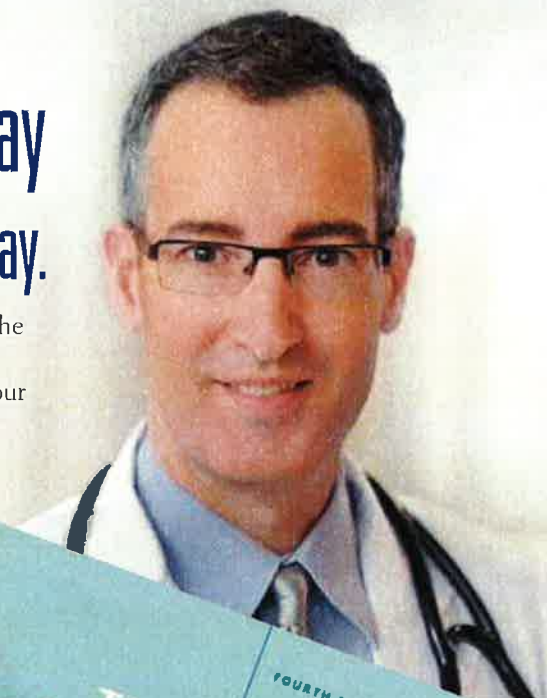

March 30th is National Doctor's Day.

This year, show your doctors your appreciation by helping them stay updated on the latest Sjögren's information!

Purchase "*The Sjögren's Book, Fourth Edition*" for a physician (or physicians) in your life and the SSF will mail the book directly to them with a special card letting them know that it was purchased by you in honor of National Doctor's Day!

With this purchase, the SSF will give your physician a complimentary subscription to our professional newsletter, *Sjögren's Quarterly*, as well as brochures for their office.

With Sjögren's Awareness Month right around the corner in April, what better way to show your doctor appreciation than informing their entire staff about Sjögren's and raising awareness in your community! ■
