"You had me at... referral."

At Armour Insurance, we think of all of our customers as stars – and we'd like you to get star treatment. The biggest compliment you can give us is a referral – and we'd like to repay that kindness with a gift to say Thanks!

Every time a referred customer signs on the dotted line, we'll send out:

TWO ADULT MOVIE PASSES TO CINEPLEX ODEON*

Recommend us to a friend or family member and tell them to mention your name when they contact us. When they sign up as an Armour customer, we'll treat you to a night at the movies.

"May the Referral be with you."

Need some ideas as to how to get the word out?

1. Phone a friend
2. Mention us on Twitter: @armourinsurance
3. Share our Facebook Page: facebook.com/armourinsurance
4. Post this promotion on your Facebook wall.

Just make sure they mention your name when they call, message us or request a free online quote!

From all of us at Armour, thank you for your patronage. We're big fans of yours, and we hope you feel the same way about us.

"I love the smell of referrals in the morning."
