## ZOMBIE HUNTER

Winnipeg, MB

Yes, that's right, we are looking for a few good zombie hunters to join our team.

Let's face it, we aren't too far off from a zombie apocalypse and we are a group of people who believe that preparation is the key to success. If you are someone who loves to face a challenge head on and believes there is a solution for every problem, then we want you!

### The Role:

- 🎃 Wield handheld weaponry to fight off the living dead;
- 🎃 Strategize defensive and offensive attacks against zombies;
- 🎃 Provide leadership and encouragement when the going gets tough;
- 🎃 Forage for food and safe places to hide out in;
- 🎃 Train new recruits in the art of hand-held weaponry;
- 🎃 Be the liaison for other groups of people that might cross our path; and
- 🎃 Provide comic relief for when things get too intense such as throwing out witty one-liners after epic zombie kills.

### You and Your Experience:

- 🎃 You aren't afraid of rotting flesh and you have a strong stomach;
- 🎃 You are a team player through and through - you won't abandon your group at the first sign of trouble;
- 🎃 You've got a strong instinct when it comes to people – the zombies will be hard enough to deal with alone without throwing trouble makers into the mix;
- 🎃 You have a positive attitude - just because it's the zombie apocalypse doesn't mean we can't laugh about it;
- 🎃 You have leadership experience and can lead a team through the toughest situations, especially hordes of the undead;
- 🎃 You are a quick decision maker – your life literally depends on it;
- 🎃 You don't take things personally – after all, if you get bit, you know what we are going to have to do to you; and
- 🎃 Though not required, knowing the choreography to Michael Jackson's Thriller would be just plain awesome.

*Experience with the following weapons will be considered an asset: katana, axe, machete and bow and arrows.*
