

COMPACTORS

Stationary Compactor

RP-550
(SHOWN)

FEATURING:

■ INDUSTRIAL

RUDCO® Compactors are ideal for general industrial applications where large volumes of solid waste are generated. They are ruggedly built and are equipped with a large hydraulic power unit to achieve maximum compaction. They have an oversized clear top opening for ease of loading. The Hopper is in excess of 5 to 7 cubic yards with a fast cycle time

■ TRANSFER

RUDCO® Compactors are specifically designed to accommodate both residential and commercial collection vehicles and serve most capably in Transfer Station applications for municipalities and private contractors. Significant savings and time costs can be achieved through the use of a conveniently located Transfer Facility.

ALL PRODUCTS ARE BUILT RUDCO TOUGH IN THE USA
