* Designates that it meets Overhead Door's lifting force specification for 1/2 horsepower garage door openers.
**Limited, non-transferable warranty. See owner's manual for details.

Standard features

DC motor technology

DC motor provides quiet operation.

CodeDodger® access security system

Each time the remote control is activated, a new access code is selected from 4.3 billion possible combinations to prevent piracy of the radio signal that opens your door.

Easy programming

Quick, effortless limit setting for faster installation.

Auto seek dual frequency range

The opener listens for both the 315 or 390 MHz frequency emitted by the remote or wireless keypad, allowing reliable operation even in areas with frequency interference.

Self-diagnostic Safe-T-Beam® system

When objects pass through the infrared beam, the door automatically stops closing and then reverses.

C-Channel rail

Operator rail designed for strength; conceals rotating belt or chain for safety and better aesthetics.

Light system

Illuminate your garage with built-in lighting positioned toward inside of garage. Compatible with most CFL and LED light bulbs.

Compatible with both HomeLink® and Car2U® systems

Convenience options

Enjoy your new Overhead Door® garage door opener to the fullest with optional accessories. These accessories work with openers that feature our CodeDodger® access security system.

Digital wireless keypad

Lighted keypad features a flip up cover and lets you control up to three garage door openers. Flip up cover is available in four colors, ensuring you can find the one that best complements your home.

3-button compact remote

This compact 3-button remote can operate up to 3 doors, features auto seek dual frequency as well as large buttons and LED lights. For convenience it comes with a visor clip or can be added to a key ring.

37219R

6' power cord

When you need a few extra feet of power cord; we have a model with a 6' power cord rather than the standard 4' cord (Model 1029H).

Distributor services

Installation

Selection of an Overhead Door garage door system includes expert installation and service from our professional network of over 400 distributors.

Routine maintenance

Let your Overhead Door Distributor ensure that your garage door system operates at peak performance year-in and out. Ask about routine system tune-ups and other professional services offered.
