Actual color may vary slightly from brochure due to fluctuations in printing process. Color samples are available by request through your local Overhead Door Distributor.

Be sure to ask about our complete line of Overhead Door® garage door openers. Powerful, quiet and durable, Overhead Door's garage door openers are designed for performance, safety and convenience. Your Overhead Door Distributor will help you choose the opener that best suits your door and preferences.

The Modern Aluminum Collection combines glass and aluminum for unparalleled visual appeal, strength and light infiltration. It's a unique solution for your extraordinary home.

## Built better from the inside out

Model 511 Standard frame

#### Design flexibility

Available in a variety of vertical rail widths and horizontal stile widths to complement the style of your home.

### Stylish hardware

Hinges and fixtures are galvanized to maintain a contemporary look.

## Integrated stiffening struts\*

Strong, light-weight struts are included in the design of the rail assembly to enhance durability.

\* Offered on non wind loaded doors only. Size restrictions may apply. See Overhead Door Distributor for details.

**Wind load-rated doors.**\* Safeguard your home in extreme wind conditions. Your door can be built to meet your local building codes and provide your home with protection from a variety of wind conditions, such as hurricane force winds.

\* Model 521 only.

#### Limited Warranty.

Modern Aluminum garage doors are backed by a one-year limited warranty.\*

\* Warranties vary by model and are available upon request. See full text of warranty for details.

#### The Genuine. The Original.

Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry—we've created them. Overhead Door created the first upward-acting door in 1921 and the first electric garage door opener in 1926.

Today, our network of over 400 Overhead Door Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It's your guarantee that you're getting the genuine, the original Overhead Door.
