

RESTAURANT TABLE TOP PAPER

OREN INTERNATIONAL KRAFT AND BUTCHER PAPER FOR RESTAURANT TABLETOPS

Enhance the look and feel of your restaurant's tabletop presentation with solid or custom-branded kraft or butcher paper. Tabletop paper is cost-effective and easier to manage than traditional linens. Custom-branded sheets add a unique and artistic touch that complements the personality of any restaurant.

Advantages of Custom Kraft and Butcher Paper Tabletop Paper:

- Easy and inexpensive
- Creative
- Maintenance-free
- Enhances and protects table
- Clean and efficient
- CounterKraft™ Butcher Paper is FDA Approved

What do you want YOUR restaurant tables to "say"?

- At *Bayona* in New Orleans, butcher paper tabletops are customized with beautiful sketches of their lovely historic building.
- At *Crabs* in South Florida, diagrams and directions for "how to eat a crab" are cleverly printed on each table covering.
- Fine dining establishments often print wine pairing suggestions.
- Casual cafes and bistros offer fun facts about the area, tourist tips and maps with places of interest.

SPECS:

We can custom print your logo and artwork on rolls; but for a cleaner look (no tear marks from ripping off the roll), and to create less waste, we recommend custom cut sheets in standard sizes that fit most restaurant tables. Our four standard cuts are 30 x 30, 30 x 48, 36 x 36 and 30 x 64.
