

Real Experience. Real Training. Real Results.SM

**OSHA 30
General Industry Voluntary Compliance Program
29 CFR 1910**

Applicability:	All personnel that must be aware of the various dangers in their respective workplace.
Prerequisites:	None
Frequency and Duration:	This training program spans 4 days and requires 30 hours to complete. There is no refresher course mandated by OSHA.

Purpose and Overview:

Safety Training Services, Inc. presents this comprehensive training program intended to provide a more in-depth view of mandatory and optional topics in General Industry Safety and Health. Special emphasis is placed on those areas that are the most hazardous. This 30-Hour program is presented with a mixture of classroom instruction and hands-on exercises.

Team Development skills are emphasized in all aspects of this course. After attending the 30-Hour course, students will have covered:

- Introduction to OSHA (mandatory)
- Walking/Working Surfaces (mandatory)
- Exit Routes, Emergency Action Plans, Fire Prevention and Protection Plans (mandatory)
- Electrical Hazards (mandatory)
- Personal Protective Equipment (mandatory)
- Hazard Communication (mandatory)
- Materials Handling (mandatory)
- Managing Safety and Health (mandatory)

In addition to the mandatory subjects, at least 5 elective subjects and optional subjects will be covered. Classes can also be customized, job specific, to the attending audience:

- Hazardous Material Flammable/Combustible (elective)
- Machine Guarding (elective)
- Permit Required Confined Spaces (elective)
- Lock Out/Tag Out (elective)
- Blood Bourne Pathogens (elective)
- Ergonomics (elective)
- Fall Protection (elective)
- Safety and Health Programs (elective)
- Ladder Safety (optional)
- Welding, Cutting, and Brazing (optional)

Training Materials: Those attending this training program will receive a training manual, wallet card, and a certificate of completion.
