*The Broadmoor*

**June 10 - 13, 2012**

In Colorado Springs, Colorado

Hosted By: Berwick Electric Co.

March 23, 2012

**Dear Federated Electrical Contractors Members, Friends & Guests:**

The summer FEC meeting in Colorado Springs is quickly approaching and Berwick Electric Co. is excited to be hosting the 50<sup>th</sup> Anniversary meeting. Welcome back to The Bro<sup>A</sup>dmoor, which was the location of the very first FEC meeting when a group of progressive electrical contractors met to discuss the possibility of using computers for electrical estimating.

Families will love The Bro<sup>A</sup>dmoor (pg. 3). The Children's Concierge can provide you with information about seasonal camp programs, babysitting services and activities for the entire family. There is also an on-site movie theatre, as well as spa services for mom, dad and children of all ages at the Colorado Springs resort. Summer Bee Bunch Camp is offered throughout the summer and during holidays (pg. 5). The Bro<sup>A</sup>dmoor is ideal for a family vacation in southern Colorado.

Colorado Springs enjoys over 300 days of sunshine each year and temperatures in early June average in the mid-seventies with average lows in the 50's. Come early to have a hot air balloon adventure (pg. 7) or to start golfing on the championship golf courses at the Bro<sup>A</sup>dmoor (home of the 2011 LPGA Tournament). Other activities will include horseback riding, high country jeep tours, Garden of the Gods hikes, or riding the Cog Railway up Pikes Peak to see the view which inspired the anthem, "*America the Beautiful*." Please view all activity options on pages 7-11. Also, please pay special attention to the weather notes on the registration page as they are extremely important for some of the activities.

The week will begin with black-tie cocktails lake-side and dinner at The Bro<sup>A</sup>dmoor Hotel (pg. 8). We will have a photographer to record the event with individual or family portraits as well as a group photo. Tuesday night's dinner will take place at the Garden of the Gods Club (pg. 11) overlooking the Kissing Camels Rock formation with Pikes Peak as the backdrop.

This registration package includes a list of activities that we are considering based on attendee interest. Please submit your activities sign-up sheet no later than **April 20, 2012**.
