

Ten Reasons to Choose Berwick Electric Co.

1. **Locally owned and operated with a history of excellence**

Established in 1921, Berwick Electric Co. has a team of dedicated, local ownership that includes a third generation Berwick. We are celebrating 92 years of excellent service and quality workmanship.

2. **Experienced, professional staff**

Many of our staff members have been with us for over 20, 30, and even 40 years, offering a wealth of knowledge and expertise. All are appropriately trained and certified.

3. **Commitment to ethics and giving back to the community**

Berwick Electric Co. has volunteered its time and resources over the years to support Special Kids Special Families, Crime Stoppers, Colorado Springs Therapeutic Riding Center, and many other organizations that do good in our community. We were honored to receive the 2011 GE Johnson Ethics Award and the Outstanding Corporate Philanthropic Program Award.

4. **Excellent safety rating**

Safety is our number one priority. We have won numerous safety awards and have exceeded six years without a lost time injury!

5. **Free estimates**

Call or email us for your free, no-obligation estimate.

6. **Superior customer service standards**

We aim to exceed every customer's expectations. Our "Ten Commandments of Customer Service" include the commitment to integrity, good communication, cleanliness, professionalism, and value for your dollar.

7. **Positive customer feedback**

Take a look at the reviews section of our website as well as outside sources such as Angie's List and the Better Business Bureau, with whom we have earned an A+ rating. You'll find many satisfied customers speaking on our behalf.

8. **Cutting-edge technology and equipment**

We invest in the latest technological advances to equip our staff with what they need to serve you best. From new tools and machines to iPads and DataComm technology, we have the means to perform the most reliable, accurate and efficient work.

9. **Financial stability for large projects**

Berwick Electric Co. enjoys a substantial surety line of credit, and our bonding has a "Best" rating of A (Excellent). Our access to ample credit and bonding ensures our ability to support each project with all the required resources.

10. **Variety of services offered**

From small residential wiring jobs to large contract bids, we can handle any electrical project. Depending on the size of the job, we perform work throughout Colorado and even around the U.S.
