CUSTOMER SERVICE

“Great office staff. Easy to set up an appointment. Professional, punctual, highly experienced workers. They respected our house and cleaned up after themselves.”

-C. Joyner

“I would sum up the teams of both John Travers as well as that of John Favors as on time, polite, organized, neat and extremely competent. I would highly recommend your company. Thank you for such excellent workmanship!”

-R.W. Smith

Berwick Electric 10 Commandments of Customer Service

- I. Safety shall have priority over all else.
- II. The quality of work performed shall meet or exceed customer expectations.
- III. The highest level of integrity shall be maintained in ALL business dealings.
- IV. The customer's time shall be respected.
- V. The customer's work area shall be left clean to the customer's satisfaction.
- VI. Employee's performance, behavior, appearance and professionalism shall meet Berwick Electric's standards.
- VII. Communication with customers shall be open, honest and timely.
- VIII. Knowledge and training shall be a continuing process.
- IX. All actions shall foster long-term relationships.
- X. Customers shall receive value that meets or exceeds their expectations.

Over 5 years & 1,100,000+ hours
Without a Lost Time Injury

Generations Power. Forward.

Jim Peterson, President
34 years with Berwick

Doug Berwick, Treasurer
3rd generation Berwick

J.D. Berwick, Founder

Berwick opens its doors
in 1921

As we begin our 92nd year of business, we look back on our heritage with a sense of gratitude.

From our early days installing electricity in turn of the century carriage houses to modern day challenges such as fiber-optic cabling, our commitment to integrity and unsurpassed customer service has never wavered.

We look forward to serving you for many years to come!
