## The *DSi* Differences

### OUR LEVERAGE

**Our \$50,000,000 buying power allows our clients to compete more aggressively, ultimately resulting in more value and lower costs to our client's customers.**

### OUR EXPERTISE

**DSI's processes and in-depth industry expertise, over 150 years of combined knowledge, helps our clients improve their bottom line while meeting its business objectives.**

### OUR TECHNOLOGY

**Our proprietary software solutions exceed that of most in-house Transportation Management Systems offering client specific visibility of supply chain transactions.**

“Both our inbound and outbound shipping operations are running better than ever before... our ROI is over \$3.80 per \$1.00 invested with DSI... Our two-year direct cost reduction exceeded \$760,000.”
