# Down Gauging Details

## Beating the Odds

-  Nexus must be “married” to existing equipment
-  Load containment must be established first
-  Equipment adjustments will sometimes be necessary

# Understanding True Stretch Film Costs/Spend

What does it  
cost to wrap and  
ship a pallet?

# Nexus Captures True Cost

Cost/pallet wrapped.

Sustainability in capturing true costs

Sharing a film trial with the end user

Education that makes a difference!
