

CVS Pharmacy® Gift Card Product Suite

Gift card rewards to fit your health & wellness needs – all offered with volume discounts

Who is CVS Health?

CVS Health has more than 7,800 CVS Pharmacy® stores*; its leading pharmacy benefit manager serves more than 60 million plan members; and its retail health clinic system is the largest in the nation with more than 900 MinuteClinic locations.

Why Choose CVS Pharmacy Gift Cards?

The CVS Health suite of gift card products offers you the power to select the right reward to accomplish your organization’s goals.

- Engage and motivate employees
- Encourage healthy behavioral change
- Supplement payment assistance for health-related compliance
- Reward program participants for meeting wellness goals
- And more...

Gift cards have no expiration date and no dormancy fees, are redeemable at more than 7,800 CVS Pharmacy locations nationwide, retain unused balances and are reloadable.

*CVS Gift Card cannot be redeemed at CVS Pharmacy locations within Target Stores. Card art subject to change.
