

With Imitations,

Come Limitations.

If You Want Proven Performance, Stick with The KING of Can Washers.

Like many legendary performers, Cincinnati's world-renowned can washers have spawned an industry of imitators. Unfortunately, their performance lacks the distinctive vision and innovative characteristics that define the original. Features like our economical flow back conservation system and our unrivaled Quick-Jet spray nozzles.

Of course, we'll happily customize any washer to meet your specialized requirements. .And only Cincinnati washers are backed by the industry's most experienced team of engineers and system specialists.

The fact is, there's only one Cincinnati, and we've set the standard for quality, value and dependability for over 33 years. So why settle for sequins when you can have the real thing?
