Marlin Steel owner to address American Wire Producers Association

Drew Greenblatt part of panel to discuss global trends affecting wire industry

- Marlin Steel Wire Products President Drew Greenblatt will represent the Wire Fabricators Association as part of a panel discussing the impact of the recession and other global trends on the wire industry.

- Greenblatt, the owner of Marlin Steel (www.MarlinWire.com) of Baltimore, will speak about issues affecting wire producers at the upcoming government affairs conference of the American Wire Producers Association in Washington, D.C. The association’s annual Government Affairs Conference will be held September 16-18 at the Hyatt Regency on Capitol Hill.
Define the Membership

- Greenblatt was recently elected as board chairman of the Regional Manufacturing Institute of Maryland. He also serves on the executive board of the National Association of Manufacturers. Greenblatt was recently appointed by Maryland Gov. Martin O’Malley to the Governor’s International Business Advisory Board. He is a frequent guest of Fox Business News and has been featured in articles in the Wall Street Journal, the New York Times and Fortune magazine.

- Other panelists at the conference include David Gillespie, vice president of Krueger Steel & Wire, representing the Cold Finished Steel Bar Institute; Steve Peters, executive vice president of Oklahoma Steel & Wire, representing the Chain Link Fence Manufacturers Institute, and Don Sayenga, executive director of the National Association of Chain Manufacturers.
