To Whom it May Concern:

Innovative Management Solutions, Inc. (IMS) has been an alliance partner of Primavera Systems, Inc. (Primavera) for several years and has consistently provided clients with quality project management consulting services. Their team is a pleasure to work with and is comprised of dedicated individuals whose expertise and years of project management experience ensure client satisfaction and successful implementations of enterprise-wide project management solutions.

IMS's core competency is project management and that combined with intimate knowledge of the Primavera software tools enables clients to achieve outstanding results in the areas of training, coaching and mentoring, implementation, custom report writing and other project management or IT related services such as installation and integration. We have found the IMS staff to be very professional, resourceful and committed to meeting the goals and expectations of the client, thereby maximizing the return on investment. The IMS staff works closely with client team members providing essential guidance and technical assistance to promote an integrated team effort resulting in projects that are managed on a more cost effective and efficient basis. IMS promotes a strong, collaborative business working relationship to meet all requirements and commitments to its clients.

I would recommend IMS to any client who is seeking a highly qualified, results oriented project management firm with the unique combination of project management expertise, experience and in depth Primavera software tool knowledge.

Please do not hesitate to contact me if you would like additional information or to further discuss our relationship with Innovative Management Solutions, Inc.

Sincerely,
