

## The Total Transformation – Help for Parents

Say goodbye to disrespectful, obnoxious and abusive behavior, and regain control of your child, your family & your life. The *Total Transformation* is a parent's program for managing challenging behaviors in children.

Are you struggling with a child who is disrespectful, obnoxious, or even abusive toward you? Are you frustrated and exhausted from arguing constantly? Do you find yourself "walking on eggshells" around your child, trying to avoid saying something that will set him or her off? Have you tried talking, screaming, punishing, pleading, and negotiating—but your child still walks all over you?

All children behave badly from time to time. But when defiance, hostility and refusal to comply are ongoing, the behavior affects the entire family and requires a more serious intervention. Fortunately, when parents use the right tools, they can change their child's problem behavior—quickly and dramatically. The *Total Transformation* offers tools that work.
