Parish Health Ministry

Lending Library

Updated 8/15/2012

Parish Health Ministry is pleased to share with our partners our library of educational, nursing, spiritual and healing resources, including not only books but workbooks, videos, cd's, dvd's and cassette tapes. We hope you take the time to browse our offerings and borrow what interests you.

To request a book to borrow, please email jpalcic@erhinc.com or rlindeman@erhinc.com and they will make arrangements with you to obtain that listing.

There is no time line upon when to return the book. Read it at your leisure and return as soon as you are finished. If another partner requests to "check out" a book you have out we may contact you to get an estimated return date from you so that we may pass that along to the person waiting.

We hope you find this resource helpful and would appreciate any feedback you may have in order to help us improve our offerings.

Blessings,

Parish Health Ministry
