

Calling All HRV / Heating Contractors

We would like to be your Propane Partner!

Budget Propane offers a full range of professional propane services to meet your needs during new **construction projects** and/or switching over existing **heating services**.

- ✓ **Free Consultation**
- ✓ **Gas Piping**
- ✓ **All Tank Sizes Available**
- ✓ **Tank Installation Service**
- ✓ **Temporary Heating**
- ✓ **Tank monitoring systems**
- ✓ **Certified Service and Installation Gas Technicians**

When consulting with your new clients, our experts will schedule a free on-site visit to determine the adequate propane storage required, location of tanks, permits needed, and provide other pertinent data. Our professional technicians find solutions for your new construction projects. **Please contact us for a free consultation service at your site.**

Budget Propane is a family owned business that prides itself on excellent service and customer satisfaction. We have been in business for over twenty five years in Muskoka, Simcoe County, and the Haliburton regions. We have satellite propane facilities across the region to serve our customers better - and faster!

Call 1 888 405.7777

Budget Propane is dedicated to providing first class service and referrals to all **Contractors**.

Budget Propane is not in the HVAC business. We are not a competitor to your business, but rather a referral partner to help you service your customers.

As a propane supplier and retailer, **we offer bulk supply of propane at consistently competitive rates year after year. Should your client need a water heater, we do offer lease-to-own units.**

Our goal is not to be the biggest propane supplier, but we do want to be the best. We can only do that with your partnership. Please let us know what we can do to help your business grow.

We offer residential, commercial, and industrial services. No job is too big or too small!

If you are a company or a **Contractor**, we understand that your propane needs may be different and we can work with you to determine the best solution for you.

Propane Service for HRV / Heating Contractors

Our Commitment to Service:

Homeowners, businesses and builders have come to rely on Budget Propane for exceptional propane supply and service.

Each day, we focus our service levels on setting the standard for safety in the industry, and ensuring that all tank and equipment installations are of the highest quality and completed on time.

We offer premier **residential, commercial, contractor and builder** propane service. We will always be available for you, which provides peace of mind should any problem ever happen with your propane system day or night, 365 days a year.

In the rural areas, Propane is a leading choice of energy - Propane has a great story to tell. Not only is it a clean burning, safe and efficient energy source, it is also an affordable one. **Propane is much more economical when compared to fuel oil and electricity to heat your home with.** Some studies show propane to cost just under half as much as electricity! More and more home owners are choosing propane for their energy needs.
