TECHNOLOGIES MANAGEMENT, INC. LAUNCHES NEW WEBSITE

Maitland, FL, May 24, 2013. Technologies Management, Inc. (TMI), of Maitland, FL, is pleased to announce the launch of their new enhanced website. TMI's redesigned site provides visitors with fresh extensive content, expanded media contributions, and user friendly navigational tools.   "We are proud to announce the launch of our new website," stated TMI President, Connie Wightman. "In addition to a beneficial experience for new visitors, our telecommunications and energy clients will find easy-to-use secure access to their critical publications, reporting services, and all of our regulatory compliance support offerings. We encourage everyone to visit us at www.tminc.com."

TMI's new website is designed to enable companies to understand the state and federal issues that will impact their business models, their position in the market place, and overall corporate value. Visitors can determine their best opportunities to manage their regulatory development. TMI's website offers details regarding the exceptional team of industry experts available to assist them with key regulatory decisions. The website showcases important tools created by TMI to identify rules, rates, and regulatory obligations, including some interactive samples of data outputs. To access Technologies Management, Inc.'s new site, please go to www.tminc.com.
