### SPIRITUAL CARE

Though we service people of all faiths, Wellhaven offers Christ-centered care. All residents are invited to participate in our on-site chaplaincy services. Our on-site Chaplain visits regularly and provides Bible classes, devotions and one-to-one spiritual counseling, if desired.

For those 55 and older who are ready to relax and just enjoy life, Wellhaven offers spacious 1- and 2-bedroom independent living apartments. Each apartment features a full kitchen, dining and living areas, plus easy access to on-site laundry facilities and our connected, heated garage. Housekeeping services and utilities are included. Whether you enjoy staying fit in our exercise room or attending our many on-site social events, Wellhaven is a place where active seniors can thrive.

### INDEPENDENT LIVING

For those who are independent in all of their cares and needs, but desire the comfort, convenience and peace of mind that only Wellhaven can offer, through support services such as dining, housekeeping and social enrichment.

### SUPPORTIVE LIVING

A great option for those who are mostly independent but need occasional care and support. This flexible care level allows those who need some assistance to have the financial flexibility of independent living.

### ASSISTED LIVING
