HELP CUSTOMERS BUY MORE

The goal of any good marketing campaign is to make the buying process as easy as possible for your customers. CoffeeForLess optimizes their customer experience with 1st time product purchase emails and replenishment campaigns.

01. 1ST TIME PRODUCT PURCHASE EMAIL

Product specific emails are a great way to engage your customers and make it easier for them to purchase the products they need. CoffeeForLess sends 3 different automated emails to customers who have made their 1st purchase of one of 3 popular product categories: Keurig, Coffee People, and decaf K-Cups. These emails are “re-mailed” with a different subject line 2 days later if the original has not been opened.

This is a smart image. Using Windsor Circle data your email can pull in a different image for each customer based on their previous orders

02. REPLENISHMENT CAMPAIGNS

Product specific emails are a great way to engage your customers and make it easier for them to purchase the products they need. CoffeeForLess sends 3 different automated emails to customers who have made their 1st purchase of one of 3 popular product categories: Keurig, Coffee People, and decaf K-Cups. These emails are “re-mailed” with a different subject line 2 days later if the original has not been opened.

KEEP CUSTOMERS FROM DISAPPEARING

CoffeeForLess created 3 emails to be sent 90 days, 100 days and 120 days after the most recent order date. Windsor Circle's data analysis enabled CoffeeForLess to time these win-back emails based on customer-specific predictive dates for those who had made 3 or more purchases.

03.

WIN BACK EMAILS

CoffeeForLess created 3 emails to be sent 90 days, 100 days and 120 days after the most recent order date. Windsor Circle's data analysis enabled CoffeeForLess to time these win-back emails based on customer-specific predictive dates for those who had made 3 or more purchases.

- Win-Back campaigns, at 90, 100, 120 days, for customers with 2 or less purchases
- Win-Back campaigns, using predicted individual win-back dates, for customers with 3 or more purchases.

REWARD YOUR BEST

Using Windsor Circle's custom segments, CoffeeForLess automatically identifies and rewards best customers when they match the following criteria:

- has not purchased in 75 days
- has placed 3 or more orders
- has spent more than \$500

04.

RE-MAIL

This email is re-email to customers two days afterwards, if the original email has not been opened. This automated Best Customer campaign generated over \$200,000 in revenue in just 6 months.

66% HIGHER OPEN RATE

125% HIGHER CLICK RATES

Windsor Circle's data-driven lifecycle emails generated 66% higher open rates and 125% higher click rates than all other emails during the same 6 month period. The chart below shows open and click rates for Windsor Circle campaigns in blue and for other CoffeeForLess emails in white and red.
