2067 Modular Egress Window Well

sandstone
#020670391

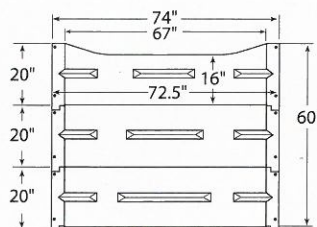

granite grey
#020670390

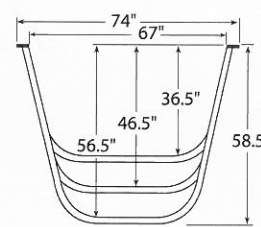

Shown with optional polycarbonate cover. See cover options on page 6.

Adaptable.

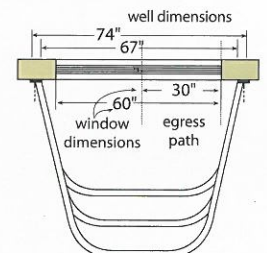

The 3-tier multi-piece construction is specially designed to accommodate 5-foot wide egress windows. Terraced steps allow for quick and easy egress, and provide the perfect place for growing plants and flowers.
