

NEW RELEASE | BOOKS | ROCK ICONS

Queen: A Rhapsody

Follow the story of Queen, the legendary British **rock icons**. Covering the group's entire career and most famous tracks, alongside **stunning photography**.

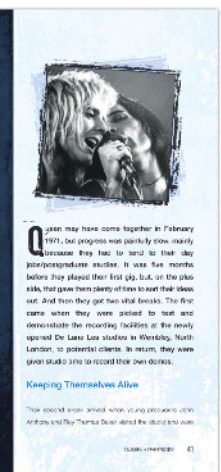

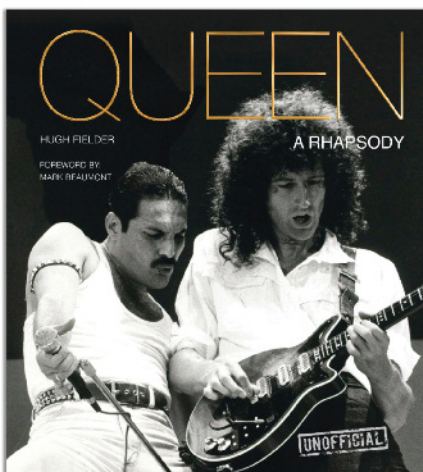

Search for: **70s music, rock icons, classic rock bands**

Queen is one of the most successful rock bands of all time, with a total of 18 number one albums and **18 number one singles**. With anthems such as '**We Will Rock You**' and '**We Are the Champions**', it became one of the biggest stadium rock bands in the world. This book follows the British band along its path to mega success, covering all the major events in its long career alongside revealing and **evocative images**.

Hugh Fielder takes us on a journey through Queen's early experimentation with prog, hard rock and heavy metal, before the band's development of its more radio-friendly style that made its members **loved the world over**. This book charts the iconic pop group's entire road to glory, leading up to the creation of one of the most famous and well-loved songs of all time '**Bohemian Rhapsody**', which stayed at number one in the UK Singles Chart for nine weeks.

Also featuring a **foreword** by Mark Beaumont, an **award-winning music writer** for NME, The Guardian, The Times, Shortlist and Classic Rock, *Queen: A Rhapsody* is a perfect title for **lovers of rock, pop** and stunning photographs.
