# LPU-23D/P

Life Preserver

## LPU-23D/P

4220-01-584-9051

Switlik P/N: S-2450-2

- Manufactured with a flame-resistant, sage green NOMEX outer cover.
- Provides 65 pounds of buoyancy and weighs less than 4 pounds.
- Inflated with two FLU-8 automatic inflation valves (available separately), two 35 gram CO2 cylinders (Mil-PRF-25369D Ty III) and oral inflation valves for secondary inflation.
- Two independent, high-visibility yellow flotation chambers consisting of waist and side collar lobes maximizes in-water auto-rotating performance.
- Designed to be worn in conjunction with various survival vest models.
- Light-weight, low-profile design provides maximum comfort and mobility.
- Improved features over the LPU-23C/P include:
  1. Zipper fasteners
  2. High-visibility flotation chambers
  3. Lower profile & lighter weight

QUALITY ~ PERFORMANCE ~ INNOVATION
