How to Measure:

Chest/Bust: For chest, measure just under arms and across shoulder blades holding the tape firmly and level. For bust, measure at the fullest point of the bust.

Hip: Measure around the fullest point of the seat while standing.

Sitting Inseam: While seated, measure from the crotch to the middle of the inside of the knee (note measurement). Then measure from the middle of the inside of the knee to the floor (note measurement). Add both measurements for complete "Sitting Inseam Measurement".

Sleeve Length: With arm relaxed at side and slightly bent, measure from the center back neck, over point of shoulder, down outside of arm to wrist.

Neck and Wrist Seals are cut to fit by wearer. Instructions are included in the Owner's Manual shipped with the U-Zip-It Suit. Size 0 Neck or Wrist Seals are available for very small neck or wrist sizes. Please indicate if needed.

U-Zip-It Suit is designed to be worn with fleece undergarments (Long Johns).
