Dear Mike,

We sent a Thank You letter to the Calgary Police back in early September after a terrific coordinated effort between the responding officers, their 911 operators and your monitoring staff that resulted in the capture of a thief in our yard. We are thrilled to be writing to say Thank You again!

Last night, your operator received Live Monitored Video from multiple areas within our compound of a male suspect walking through the yard and carrying what appeared to be tire rims. Your Sonitrol monitoring staff immediately dispatched the Calgary Police who arrived just moments later, making another apprehension!

Thank You again to the Calgary Police and your Sonitrol Monitoring Staff for their great work!

Yours Sincerely,

Steve Vany
