

Granite Waiver

I/We _____ will not be taking advantage of the opportunity to select the granite/marble slabs which will be used in the fabrication of our countertops and therefore will allow Latitude to select our slabs.

I/We understand that granite/marble are products of nature and as such may have some pitting, fissure and fusions. Granite/Marble slabs are also subject to variations in veining, colour and texture. We fully agree to accept Latitude's selections and understand that Latitude does not accept any responsibility if we are not satisfied with their selection.
