Intelligroup Signs Partnership Agreement with iStreet Solutions

EDISON, N.J., Feb. 13 /PRNewswire-FirstCall/ -- Intelligroup today announced that it has signed a partnership agreement with iStreet Solutions, a Sacramento based SAP Certified Hosting Services provider. Through this partnership, iStreet will provide the managed services associated with SAP Hosting. Intelligroup will provide application life cycle management services such as implementations, upgrades, service pack application, support and optimization.

With this new partnership, Intelligroup will launch its Hosted Solutions service offering. "We are happy to launch this hosting solution and work closely with iStreet Solutions," said Gopal Ramasamy, VP of Outsourcing. "Customers are looking for a simplified, scalable and cost effective managed services solution for their ERP environment and can now benefit from this service offering."

"Intelligroup's deep knowledge and expertise in the ERP arena, specifically SAP, is the perfect match for iStreet Solutions and Intelligroup's customers," Said Mark Richter, CEO of iStreet. "iStreet Solutions is excited about this new opportunity to expand its range of customer services and looks forward to working closely with Intelligroup."

ABOUT INTELLIGROUP
