

Impossible to Save your Session Error PPT8846: (Error 100054)

This error normally just needs a handheld re-boot.

*******Important******* do not cancel your activity. Once you reboot the handheld and log back into Scannabar you will resume where you left off. No Data will be lost.

There are 2 models of PPT8846 a 6 Key and a 14Key.

Re-booting the 14key PPT8860:

1. Press on the Enter + Function + Yellow trigger button on the top right hand side. All buttons must be pressed at the same time. If you have done this correctly you will see a Symbol PPT8800 Screen.

Re-booting the 6key PPT8860:

1. Press on the Enter and Half Moon icon as well as the Yellow trigger on the top right hand side. All buttons must be pressed down at the same time. If you have done this correctly you will see a Symbol PPT8800 Screen.

Log back into your Scannabar software and you should be right where you left off. If your session was over just click save and your session should save.
