

Built to Last - Made to Perform.

Other hoses may promise it, but only NeverKink PRO® delivers what the Pro Market is shopping for: outstanding durability and freedom from the kinking, twisting, tangling and inflexibility that's always plagued ordinary hose designs.

Additional features include an abrasion resistant cover, industrial burst rating, and a heavy gauge spring strain relief collar. Constructed with patented NTS Reflex Mesh® the benefits are guaranteed unconditionally, a hose that is as easy to maneuver as it is for you to sell.

Industrial grade, lead-free aluminum couplings, leak and crush proof

All-weather flexible to 45°F

Lifetime Guarantee

PROP 65 COMPLIANT
