

The World's Best Soaker. Period.

Get ready for the next revolution in Soaker hose technology - vinyl! This groundbreaking hose from Apex features pliable vinyl construction - delivering softness and flexibility that old rubber hoses can't.

Your customers can place them between plants more easily and precisely than ever before. No tangles, no crimps and no doubt about it. For quality, value and innovative engineering, all hoses lead to Apex.

Soft and flexible for easy placement

Consistent soaking up to 400 ft.
