OmniComm Ranked Number 286 Among the Fastest Growing Companies in North America on Deloitte's 2012 Technology Fast 500™

Attributes 265 Percent Revenue Growth to the company culture and innovative product enhancements

Fort Lauderdale, FL, Dec 4, 2012 — OmniComm today announced it ranked # 286 on Deloitte's Technology Fast 500™, a ranking of the 500 fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America. OmniComm grew 265 percent during this period.

OmniComm Systems, Inc.'s chief executive officer, Cornelis Wit, credits the company culture that exists throughout all OmniComm international offices in the USA and Europe, and the innovative new product enhancements that distinguish their product lines from their competitors, with the company's 265% revenue growth. He said, "A complete commitment to serve the needs of our clients and to adapt to changing regulations and industry climate proves to be the way to have a steady and controlled growth," said Mr. Wit. "It is an honor to be ranked on the Technology Fast 500 again for the 5th time in the last 7 years."

"We are proud to honor the 2012 Technology Fast 500™ companies, and commend them for their outstanding growth," said Eric Openshaw, vice chairman, Deloitte LLP and U.S. technology, media and telecommunications (TMT) leader. "These ground-breaking companies have outpaced their competition and are reinventing the way we do business today."

"The companies on the Fast 500 list are among those that have demonstrated remarkable innovation, creativity and business savvy," said Bill Ribaldo partner, Deloitte & Touche LLP and national TMT leader for audit and enterprise risk services (AERS). "As a result, these companies have continued to successfully forge ahead in a challenging economic environment. We applaud the leadership and employees of OmniComm for this impressive accomplishment."

OmniComm has been recognized by Deloitte's Technology Fast 500™ for growth 5 times in the past 7 years, previously ranking number 253 as a Technology Fast 500™ award winner for 2011, as well as number 445 in 2010, number 284 in 2009, and number 140 in 2005.

Overall, 2012 Technology Fast 500™ companies achieved revenue growth ranging from 128 percent to 279,684 percent from 2007 to 2011, with an average growth of 2,774 percent.

About Deloitte's 2012 Technology Fast 500™

Technology Fast 500, conducted by Deloitte & Touche LLP, provides a ranking of the fastest growing technology, media, telecommunications, life sciences and clean technology companies – both public and private - in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2007 to 2011.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least \$50,000 USD or CD, and current-year operating revenues of at least \$5 million USD or CD. Additionally, companies must be in business for a minimum of five years, and be headquartered within North America.
