Issue: Winter

February / 2012

Dear Janet,

They say that the expectations for the first three months of 2012 are of increased economic activity. These are all words we like to hear. You are a valued customer and we wish you much success in 2012.

CHECKMATE AFTER CLASS

Origin International provides webinars for CheckMate customers with an annual support plan. These webinars cover applications, procedures, advance commands that time does not allow in a standard training class.

These Webinar sessions are online training sessions that you can either: 1) register to view live or 2) download and view at your convenience.

If you missed the after class webinar [Click Here](#) to Download and click on Webinars on the left to view at your own convenience.

UPCOMING WEBINARS:

Title:Introducing the NEW CheckMate Gage R&R Excel Report

We will be reviewing the setup for the NEW CheckMate Gage R&R Excel Report that requires Checkmate 12.1.219 or newer.

Date: Wed. Feb. 29th @ 11am to Noon - [Click Here](#)

Register for the meeting.

Once the host approves your request, you will receive a confirmation email with instructions for joining the meeting.

Note: If you already registered for this meeting, you do not need to register again.

THE CHECKMATE CHALLENGE

Tell Us Your Story

We are increasingly seeing dimensional metrology data, made more available and being generated more often on the shop floor in more innovative methods, partly due to the implementation of new technologies.

This is leaving us here, at Origin, musing over the idea of seeing CheckMate reports being downloaded to tablets on the shop floor, upload or incorporate additional data such as "key-in" information from hand checks or data from other operations, and for review in corporate offices and meeting rooms.

If there is a CheckMate user out there who has implemented, or does so in the near future, such a process and willing to share their story with us, they could be the winner of a new ipad or tablet equivalent.

Please contact us at sales@originintl.com with your story and for more details on how to qualify.

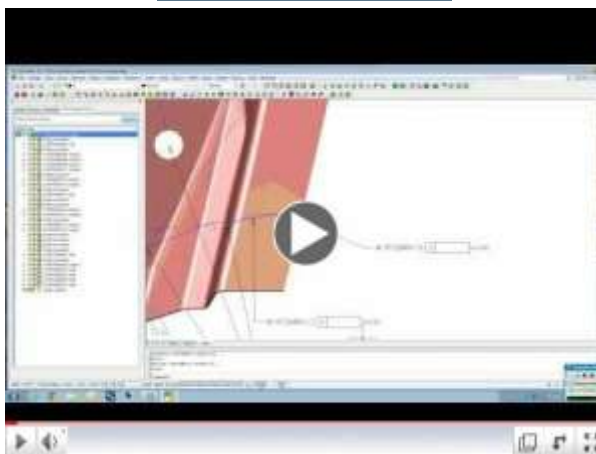

Did you Know...

Cecil..Our CheckMate expert says...

Reviewing a couple switches, that when enabled. allow for easy updating of labels when editing measurements.

Easy Updating of Labels

CHECKMATE 12.1

CheckMate - 12.1-Phase II 215
Update

For customers who log in to our BBS. We have a new folder called CheckMate 12.1 for this new release and other information related to it. ie. updates, how to unblock the help file etc.

Hardware Requirements for CheckMate:

- 32 bit/64 bit capability - able to run Windows XP, Vista

or Windows 7

- Minimum 4 gigabytes of RAM
- Ability to do Windows XP hardware simulation
- Multiple Cores - Scanning software uses multiple cores to increase the performance

UPGRADING TO WINDOWS 7

Take Note of the Following:

- The new CheckMate release 12.1 supports both 32 bit and 64 bit.
- We recommend Windows 7 - 64 bit.
- You must have "Administrator" rights
- Change your "Shortcuts" to run as administrator

[Click Here](#) for the application note with more details

(requires a login to our BBS)

WHAT OUR CUSTOMERS HAVE TO SAY...

I took the standard training class where I first met Cecil from the support team. Prior to that, I had spoke to him in on the phone when I needed assistance. I was new to the company and got a new computer, Cecil helped me install the newest version of Checkmate. Any questions I had about the software was responded to in a timely manner either by phone or email. The support team has also made small movies available, some have been made specifically for me when needed. The Origin tech support team is well worth the expense, I am not sure how I could have been successful in my position without them.

..... Sandy from Pilkington

NOTIFY ACCOUNTING DEPT'S OF OUR CONTACT INFORMATION CHANGES

We have noticed that accounting dept's are still mailing to our old address. We appreciate if you could forward this information to the proper contacts within your organization.

Our Website address has changed to:

www.originintl.com

Our email addresses have changed to:

sales@originintl.com
support@originintl.com

Our Address is:

72 Baynards Lane, Richmond Hill, Ontario, Canada L4C 9B8
