

GSX Solutions Expands Asia-Pacific Presence with Dr Notes

New agreement brings local presence and level one support to enterprise mixed messaging and collaboration environments

Buffalo, NY – August 25, 2011 — [GSX Solutions](http://www.gsx.com) [www.gsx.com], the global leader in proactive, consolidated monitoring, reporting and messaging of enterprise collaboration environments, including [Lotus Notes](#), [Microsoft Exchange](#), BlackBerry Enterprise Server ([BES](#)), and [Dr Notes Solutions](#) of Melbourne Australia, a team of highly-trained and experienced Lotus Notes experts, today announced that they have signed a new partnership agreement to greatly expand the GSX presence in the Asia-Pacific region.

The new agreement significantly expands the GSX presence in Australia, New Zealand, and other countries in the high-growth Asia-Pacific region, where IBM's revenues are increasing at the rate of 14 percent. The companies will jointly exhibit as gold partners at [AusLUG](#), Australia's premier IBM/Lotus technology event.

“Having over 16 years technical experience with Lotus Notes, we have come across many tools for the Lotus Notes environment. Being a mission critical piece of infrastructure, you simply cannot do without it running well,” said Steve Hooper, Managing Director at Dr Notes. “GSX has the best administration tools we have ever come across and we are very excited about this partnership. We believe that with GSX, we will be able to help many businesses keep their Lotus Domino environments running at peak performance.”

“Dr Notes Solutions is among the foremost Lotus Notes experts throughout Asia-Pacific. We already worked with them to implement a major GSX installation at the Ministry of Health in New Zealand, and our new agreement greatly expands our presence in the region,” said Steve Bystran, SVP Global Sales and Business Development of GSX. “As a Premier IBM Business Partner, Dr Notes will open doors to potential customers, especially those with mixed messaging and collaboration environments – such as Lotus Domino, SharePoint, or BES – by providing complete installation, configuration, and training, together with level 1 support.”

GSX and Dr Notes to Jointly exhibit at AusLUG, August 29-30

GSX and Dr Notes will jointly exhibit as gold partners at [AusLUG](#), Australia's premier IBM/Lotus technology event, at the Aerial Function Centre in Ultimo, on August 28-29.
