

## WORKING AT LEONARDO CONSULTING

Leonardo Consulting is a team of professionals who are passionate about solving our customers' problems and creating value in the organisations we work with. We are a team of experts who like to actively create and develop new ideas and where innovative thinking is promoted. Our clients are national and international companies and governments. Our projects are complex, interesting and sometimes international

Are you looking to step up to the next level in your career?

Are you looking for contact with the most current technology, theory and practice in Business Process Management?

Would you like to become a valued member of a supportive professional team?

---

We are looking for passionate people who would like to contribute to our company culture.

---

Our organization is principle centred - our shared values drive our behaviours. Our wide selection of clients across all industry sectors ensures that a career at Leonardo will never be boring and will cover all areas of process management.

Your success at Leonardo is based on your ability to work in a team and to recognize and respond to the needs of our clients. Customer loyalty and satisfaction are a major part of our success. We expect top performance for our customers and know that we must also invest in our employees.

This is why your personal and professional development is important to Leonardo. Each employee can improve their earnings according to their professional development and performance based on clear targets, which are planned and celebrated together.

We are always interested in exceptional people.
