RP Visual Solutions to Exhibit at DSE for the First Time in Booth #1338

Anaheim, Calif. February, 2013 – RP Visual Solutions (RPV) is proud to announce their inaugural exhibition at the Digital Signage Expo in Las Vegas, NV. RPV has manufactured innovative visual displays and mounting solutions since 2005, but 2013 marks their first showing at DSE.

For this special presentation—RP Visual Solutions has created the booth from scratch, 100% purpose built for this show, and is set to install the exhibit in the Las Vegas Convention Center. RPV will be displaying the following products in booth #1338 at DSE:

- Kiosk (RPK) containing a portrait 40” panel with touch overlay
- RP Matrix Mount (RPMM) with 2x2 display of NEC 46” Flat Panels featuring touch overlay
- (2) RP Panel Mounts (RPPM) holding wall mounted 46” and 15” panels
- MicroTile Block mount designed for Christie MicroTiles
- Kiosk (RPK) with touch overlay featuring Christie MicroTiles in a 2x2 configuration

RP Visuals will be exhibiting at booth #1338 at the 2013 Digital Signage Expo. DSE takes place in the Las Vegas Convention Center in Las Vegas, NV on February 27 and 28, 2013.
