STRAFFORD TECHNOLOGY TO PRESENT AT COLLABORATE 14: Technology and Applications Forum for the Oracle Community

Londonderry, NH, March 10, 2014: Strafford Technology, providing consulting services addressing the challenges of Finance Departments with fully supported Business Intelligence (BI) and Enterprise Performance Management (EPM) applications, will be presenting and exhibiting at COLLABORATE 15 in Las Vegas, NV from April 7-11, 2014.

"The COLLABORATE event is a wonderful opportunity to meet Oracle application users, and to discuss how the applications can be implemented or expanded to meet their growing business challenges," said Steve Berry, Strafford's CEO. "It's an event we look forward to every year."

Strafford will be presenting on "Integrating Hyperion Profitability and Cost Management with Hyperion Planning", and will be available for conversation and information in Booth #944 at the Exhibitor Showcase.

COLLABORATE delivers a full spectrum of Oracle Applications and Technology education and networking. It is produced by three separate user groups:

- Independent Oracle Users Group (IOUG), the voice of Oracle technology and database professionals serving data architects, application architects and infrastructure architects
- Oracle Applications User Group (OAUG), the world's largest education, networking and advocacy forum for Oracle Applications users
- Quest International Users Group (Quest), the home for PeopleSoft, JD Edwards EnterpriseOne, JD Edwards World, Fusion Applications and Primavera users
