## STRAFFORD WILL BE EXHIBITING AT COLLABORATE 15

Las Vegas, NV Oracle User Conference a “Can’t Miss” Event

**Londonderry, NH, January 19, 2015** – Strafford Technology, providing consulting services addressing the challenges of Finance Departments with fully supported Business Intelligence (BI) and Enterprise Performance Management (EPM) applications, will be exhibiting at COLLABORATE 15, Booth #513, at Mandalay Bay in Las Vegas from April 12-16, 2015.

*“We appreciate the opportunity that COLLABORATE provides. In Las Vegas we will have a chance to meet with Oracle application users face-to-face, discuss their business challenges and ways in which their applications can be implemented or expanded,” said Steve Berry, Strafford’s CEO.*

COLLABORATE delivers a full spectrum of Oracle Applications and Technology education and networking. It is produced by three of the biggest and most influential user groups:

- Independent Oracle Users Group (IOUG), the voice of Oracle technology and database professionals serving data architects, application architects and infrastructure architects
- Oracle Applications User Group (OAUG), the world’s largest education, networking and advocacy forum for Oracle Applications users
- Quest International Users Group (Quest), the home for PeopleSoft, JD Edwards EnterpriseOne, JD Edwards World, Fusion Applications and Primavera users

In addition to educational and informational sessions and panels, attendees hear breaking product news and insider information from Oracle and have many networking and unique event opportunities.
