ABOUT THE LIST
Information on The List was supplied by individual companies through questionnaires and could not be independently verified by Columbus Business First. OfficeMax Workplace Interiors, ranked No. 1 last year, and Friends Business Source, tied for No. 19, did not respond to our inquiries by deadline. Only those that responded to our inquiries were listed.

Revenue and other numbers larger than 1 million are automatically rounded; however, rankings are based on unrounded numbers. In case of ties, companies are listed alphabetically.
