

## 3 ways we can make you feel right at home with your residents.

Save time and money by consolidating your resident screening, resident payments, and resident collections with one proven vendor – BYL Companies. We can help you find the right residents and ensure on-time rent payments and collections, freeing you up to focus on your properties.

1. Reduce operating costs
2. Simplify vendor management
3. Consolidate performance reporting

### Put the power of BYL's Resident Services to work for you

#### Resident Screening

*VeriFirst makes it fast and easy to get the facts you need to make informed decisions about prospective tenants (and employees).*

#### Resident Payments

*VARO Residential can manage every aspect of your accounts receivable, freeing you up to manage your properties and maintain resident relations.*

#### Resident Collections

**BYL**COLLECTIONS

*BYL Collections combines advanced analytics and the latest technology with a healthy dose of people skills to recover your outstanding debt.*
