

Construction Association Opportunity Matching

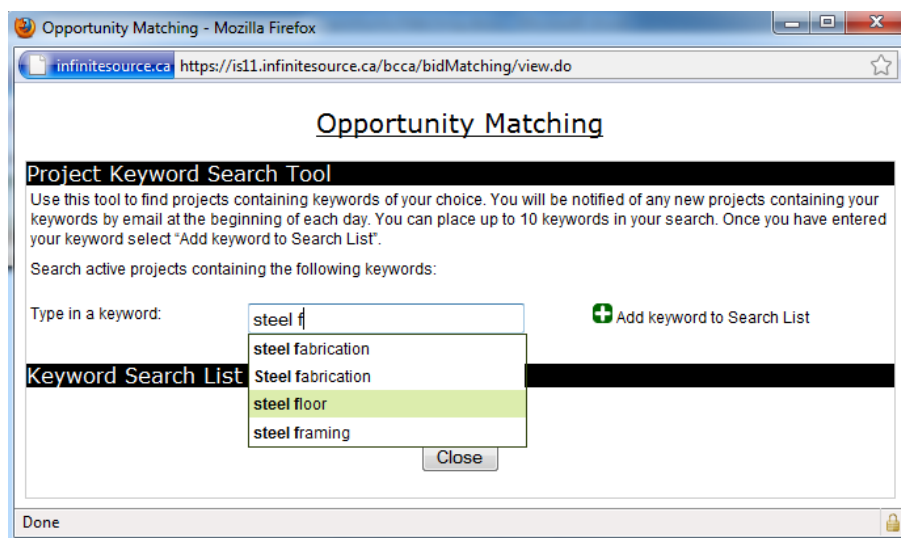

If you are a member of a Construction Association that provides online access to their planroom using PlanSource, you have access to the Opportunity Matching notification system. This option is found on the Main Page in the Manage My Account section in the bottom right corner.

Welcome Member!

The screenshot shows a user account management page with several navigation links. On the left, there are links for 'My Projects', 'Bid Schedule', and 'Links'. On the right, there are links for 'Register For Project', 'My Searches', and 'Project Quick Search'. Below these is the 'Account Status' section, which displays subscription details: 'Subscription Level: eVRCA', 'Last Login: 2010-Jun-02 08:39:36', 'Hours Logged: 0.49', and 'Your Access Expires at: 2011-Mar-31'. To the right of the account status is the 'Manage My Account' section, which is circled in red. It contains links for 'Change Email Address', 'Change Preferences', 'Change Password', 'Edit My Subscriptions', 'Edit Opportunity Matching', and 'User Agreement and Privacy Policy'.

Opportunity Matching allows you to enter key words or phrases that the system will search for and notify you of any project that contains them. You are allowed up to 10 words and are able to manage them yourself at any time.

1. Click on the Edit Opportunity Matching link on the Main Page (see image above)
2. In the new window, enter your word or phrase into the text box.
 - a. As you type, common words and phrases will populate below, you may choose one of these if they fit your requirements.

- Click Add Keyword to Search List and your word will appear in the bottom portion of the screen.

Opportunity Matching

Project Keyword Search Tool

Use this tool to find projects containing keywords of your choice. You will be notified of any new projects containing your keywords by email at the beginning of each day. You can place up to 10 keywords in your search. Once you have entered your keyword select "Add keyword to Search List".

Search active projects containing the following keywords:

Type in a keyword: + Add keyword to Search List

Keyword Search List

Steel Floor	✖ Remove Keyword
Steel Trusses	✖ Remove Keyword

- To remove any of your key words, click on the red X where it says Remove Keyword and it will disappear.
- While the key words are in your search list, the system will email you every night with a list of the NEW projects or projects with new information that contain your words in the project description or documents.

Click [here](#) to login and view your bid opportunities. These projects are either new or have had new information added that matches your selected criteria.
