Author-originated Publishing

Founded in 1997, Infinity Publishing's industry leading, author-originated book Publishing model puts authors in control of their print, eBook and audio books. Infinity's authors retain all rights, earn royalties paid monthly, and benefit from an extensive global distribution network. The company's unique on-demand publishing system is designed to support authors of fiction and non-fiction, whether they have professional expertise or a unique story to tell.
