

### DESCRIPTION

**F-2002** is a powerful yet safe multi-functional cleaner that combines the high cleaning performance of an acid with the mildness of liquid dish soap. This acid replacement product was developed to meet the needs and demands of the marketplace for safety without compromising cleaning performance.

### DIRECTIONS

**F-2002** can be used full strength or with the recommended sprayer or foamer diluted with up to 25 parts of water, depending on the application, the surface and the severity of the soil. Apply **F-2002** and let stand a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Wipe with cloth, sponge or swab, and rinse thoroughly with clean water. Spot check on an inconspicuous area first.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

**NOTE:** This product should not be used on marble. Test on an inconspicuous area before using.

**REMOVES:** Uratic Salts, rust, calcium (hard water scale), soap scum, lime, grease, beer stone, milk stone, scuff marks, mold and mildew stains, soils, discoloration.

**FROM SURFACES:** stainless steel, copper, brass, aluminum, concrete, ceramic, stone, porcelain, brick, fiberglass, grouting.

**BUILDING MAINTENANCE:** floor and walls, air conditioning units, humidifiers, vending machines, ice machines, machinery.

**KITCHEN:** floor and walls, tile and grouting, stainless steel, food surfaces, vents, steam tables, fish tanks, coffee makers, blenders, appliances, filters, humidifiers, fixtures, cabinets.

**WASHROOMS:** toilets, urinals, tubs, tile, showers, sinks, doors, heads, taps, grout, counters.
