

NUSCENT

Concentrated Odor Neutralizer

NON-FLAMMABLE - NON HAZARDOUS - BIODEGRADABLE

NUSCENT controls & neutralizes offensive odors caused by Nitrogenous and Sulfurous sources.

NUSCENT is a concentrated odor suppressant/deodorizer that is uniquely formulated to control and eliminate foul odors with a three-phase action.

1. Attacks and deactivates organic odor sources.
2. Functions as a reodorant to combine with or replace malodors.
3. Leaves a pleasant fragrance in its place.

Recommended Uses:

Sewage Treatment Plants, Catch Basins, Drains, Grease Traps, Urinals, Kennels, Food Service, Tank Farm Misting Systems, Vacuum Truck Exhaust Systems, Sewage Plants, Trash Bins, Disposals/Compactors

DIRECTIONS FOR USE:

DIRECT APPLICATION: Squirt on urinals, bedpans, dirty bed linen & used bandage collection Area. Apply directly to the surface or mix with water and spray as a mist. Add to rinse water when washing surfaces.

ODOR CONTROL: As an air deodorizer dilute 2-4 oz. per gallon of water. Eliminates smoke and other offensive odors. May be diluted with up to 100 parts water. For adding to drain lines, garbage disposals, refuse contains, etc. For use with the FOGMASTER SENTINEL II MODEL 5500: Set controls to pump NUSCENT at the rate of 4-6 oz. per gallon of fresh water.
